

HOW COMPETITIVE BIDDING AFFECTS YOU!

There are 9 categories that have been put out to bid by Medicare. Not all DME providers claiming to have won bids have won all categories.

This means you could be ordering Oxygen from one vendor, a Wheelchair from another vendor and even a Hospital Bed from yet another vendor. This can be a tedious and logistics nightmare for you and most importantly your patients.

Renaissance Medical can help by providing all of your patient's equipment needs from one source!
